In a recent speech to CDGI's Board of Directors, Veronica Waldman, President & CEO of Certified DIamonds & Gemstones, Inc. expressed: *"t is a story that needs to be told - if we are to prevent continuing tragedies flowing from from the abuse of diamond revenues. However, it is equally important to note that in peaceful African countries, diamonds have contributed needed funds that responsible governments have used to build roads, schools and housing. Diamond revenues have also helped governments greatly in Africa's battle with the AIDS pandemic."*
