We will explain more details in the future as following :

1) What is a blog ?

** A blog is a simple web page that anyone can set up in minutes.

** Blog is a part of website. We take an example : XXX.com is a website. YYY.XXX.com is a blog. Are you understand now ? So, we can register a blog at blogger.com or wordpress.com or others.

** Having a blog is a vital part of making money on the internet.

** If you are looking for a way to start making money on the internet, and you have a budget that is very small or zero, blogging is a great way to get started.

2) How to create a blog ?

** Firstly, you have to prepare a blog address which includes a keyword phrase. (example : YYY.blogspot.com ,YYY is blog name) , title which includes your keyword and content info.

** After that, you can register at blogger.com or wordpress.com or others.

Example :

** Register at blogger.com step by step **

** (1) Click on " CREATE YOUR BLOG NOW "

** (2) Fill out the form

** (3) Enter title and blog address

** (4) Choose a template

** (5) Start Posting

** (6) Enter title and Content

** (7) Click on Setting

** (8) Click on Publishing

** (9) Notify Weblogs.com change to "YES" (Weblogs.com is a blog update notification service that many individuals and services use to track blog changes.)
