

Showmecasinos.com European Gambling Portal

By Showmecasinos.com

Dated: Feb 24, 2007

Showmecasinos.com Approved leading online Casinos, Poker Rooms and Sportsbooks for European markets. Visitors can compare reviews, promotions, read gaming articles, beginner's guides, strategies, tips and advice.

Showmecasinos.com Promotes approved online Casinos, Poker Rooms and Sportsbooks that meet internet gambling standards required by Internet Gambling Council (IGC) and Ecogra. The site is registered with GPWA, APCW and labeled with ICRA.

The site was developed to help people new to online gambling and guide people to approved, trusted and established online Casinos and Poker rooms. The webmaster works closely with the Association of Professional Casino Webmasters to ensure listed Casinos and Poker rooms are approved and meet the high standards expected from online players.

Emphasis is placed on visitors getting all the right information before they play at online casinos, poker rooms and sportsbooks; giving visitors that winning edge and confidence needed to begin their journey into internet gambling.

Since the beginning of 2007 showmecasinos.com has seen a significant increase of goggle's page ranking and search engine results for various key words are placing this site within the top three search result pages with Google.com and Google.co.uk. We feel these recent SEO results prove showmecasinos.com is being viewed as a good source for gambling information.

Showmecasinos.com recognizes the social impact of gambling and as part of this sites goal to promote gambling for recreational fun this site has one of the most comprehensive listings of world wide gaming associations and organizations that provide professional help and guidance for problem gambling.
