**April 13, 2007 - [PRLog](#)** -- With each new school year comes lots of excited energy and a renewed perspective on learning and education. Now is the time to harness this energy and plan something special for your entire school family so that students, teachers, staff and volunteers know that they're part of your educational team.

For the start of the 2007-2008 school year, Positive Promotions is proud to announce the introduction of its Welcome Back Gift Guide For Teachers, Staff and Students website ([www.positivewelcomeback.com](http://www.positivewelcomeback.com)). For this year's website and catalog, Positive Promotions has added over 125 new items to its exclusive line of products –products that have been tailor-made to remind your teachers, staff, students and volunteers how important and appreciated they really are. Positive Promotions even offers a handy and useful Welcome Back Online Idea Guide to help you pinpoint the perfect gifts for your entire educational team.

An entry from Positive Promotions' Welcome Back Idea Guide reads as follows: "Hard Work Pays Off -Stock-up on prizes that teachers can hand out to students for exemplary performance on important exams. If an educator reports that his or her class did well on a test, pay a visit to the classroom and drop off a package of "You Are Awesome" Motivational Pencils. Also distribute "Good News From School" Postcards that teachers can fill out to let parents know they should feel proud!" Each entry includes the catalog page numbers that coincide with the gifts being written about.

The 2007 Welcome Back Gift Guide For Teachers, Staff and Students website and catalog also feature Positive Promotions' proven favorites (lapel pins, planners and calendars, desk accessories, stationary sets, note pads, insulated lunch bags, deluxe briefcase bags, travel mugs, and more) that are tailor-made to help you welcome back teachers, staff, volunteers and students. Positive Promotions' unique gifts and giveaways offer hundreds of ways to say "thanks" to your valued school team.

One of the wonderful aspects that allows Positive Promotions to stand head and shoulders above the competition is that their products carry words of praise and encouragement to thank and inspire students, teachers, teaching assistants, school nurses and librarians, administrators and the rest of your school staff. From Welcome Back: Believe, Achieve Succeed to Together We Make Our School A Success, Positive Promotions provides quality student-, teacher- and staff-themed gifts that showcase the positive messages you want to deliver when you welcome everyone back to school after the long summer break.
