*Hip Hop Artist Keldamuzik Throws her own "Diva TV Party" Bash at Club 101 in San Rafael Ca*

Wanna party on TV with Keldamuzik? After honing her craft for so many years as a female rapper in the hip hop industry, Keldamuzik created "Keldamuzik Presents: Diva TV" to promote her upcoming album "Diva" and her new single entitled "Diva." With many exciting celebrities that supported her reality series and made special appearances, such as Redman, Young Jeezy, Young Dro, Mistah F.A.B, Traxxamillion, Too Short and more, Keldamuzik decided to throw a "Diva TV Party" which will be held Thursday May 3rd, in San Rafael , CA at Club 101. "I want people to remember me by doing things like this. I do it for the community, I do it for the Bay, and I do it because I know this will promote my music!"

The party will consist of blazin performances by Icon, an up and coming R&B trio from Oakland Ca, Biggman, Rich Tycoon who just recently signed a deal with Rap legend San Quinn and many more! Other special appearances by GC Radio and Tha Bay Entertainment, who hold down their own parties and an indie radio station in the Bay Area as well. Not only is this Keldamuzik's first "Diva TV Party", she also plans to eventually take her parties on the road and throw them in every city that has the hottest night clubs. Within doing that, she will be looking for the most talked about performers who are trying to come up in the Hip Hop industry to perform at her events. " I think giving anyone a chance to open for the next artist, is only being helpful to your local artist in your community, I would like to start doing this more often and incorporate live tapings of it in my show."

Diva TV which is normally titled as "Keldamuzik Presents: Diva TV" has been airing on more than 25 Public Access stations throughout the Bay Area, and a few online stations to promote her upcoming album "Diva". Currently Keldamuzik is in the negotiation stages with Bay Area programming station KTSF. Her show will soon air on that station right after CMC Beat Lounge, which will be syndicated to over 2.5 million viewers around the Bay Area. She plans to expand her fan base and hopes to gain more viewers that will tune in to her show. In the mean time, don't miss out on Keldamuzik's "Diva TV" parties and much more events to come to a city near you!
