WinX Burner Master is an advanced and extremely powerful CD and DVD burning tool

Its impossible for me to become a director, but I am prefer to make or publish my own DVDS and share it with my friends. One trouble haunting me so long that program used in authoring my DVD always perform badly; Slowly and poor picture quality etc, Nobody likes nasty blocky video, I have used such as TNPGEnc DVD Author; 007 DVD Author; DVD AUTHOR PRO etc, Fortunately, I discover WinX DVD Author when I feel desperate and helpless. In this topic I have help you to take a compare

Comparing TNPGEnc DVD Author; DVD AUTHOR PRO; 007 DVD Author with WinX DVD Author, the latter possess following highlight features:

- ? Build DVD less than 60 mins faster than others
- ? Higher quality than others
- ? Friendly and clearly interface
- ? Emphasizing easy-of-use that makes it work for casual and professional users alike
- ? The best to offer multichannel audio for multi-lingual DVDS and audio filters
- ? The greatest price \$29.90

Speed comparing: Build the same one DVD task:

WinX DVD Author spend 52 mins;

TMPEGnc DVD Author spend 57 mins;

DVD Author pro spend 62 mins;

007 DVD Author spend 71 mins.

Price comparing:

WinX DVD Author \$29.90

TMPEGnc DVD Author \$89.95 \$54.95 [users discount] \$61.95

DVD Author pro Author 67.63EUR

007 DVD Author \$39.90

My experience with WinX DVD Author is High quality picture; full rich sound; incredible capability; multifaceted interactivity and inexpensive, Conclusion that WinX DVD Author own advanced features and flexibility to DVD creation. Emphasizing ease-of-use that makes it work for casual and professional users alike, it is the best DVD creation program in its class to offer fit-to-disc transcoding and DVD+R dual layer support, enable you to create menus buttons and chapters or subtitle etc, Just like use WinX DVD Author help you worldwild publish your DVDS.
