

Just Published, "Straight Talk for the New Public Speaker" Become a Public Speaker

Dale Simmons releases his new book, Straight Talk for the New Public Speaker which addresses a fresh simplistic down to earth uncomplicated approach providing the required elements of becoming a successful public speaker.

May 23, 2007 - [PRLog](#) -- Menifee, California - May, 24 2007 - Straight Talk for the New Public Speaker takes a straight line approach to becoming a public speaker. What is meant by "Straight Talk" for the new Public Speaker? Straight talk is just that, straight talk. No hearts and flowers, straight to the point, no holding hands in a circle singing Kumbaya.

"Straight Talk for the New Public Speaker" is broken down into twelve exciting chapters such as, Finding your Niche, Conquer your Fear, Sharpshooters and Hecklers and Humor to mention a few. Learn how to structure and effective speech or how to read your audience. The all important, how to handle sharpshooters and hecklers. Upon completion of this book you will have the tools to become an effective public speaker.

The new book, Straight Talk for the New Public Speaker, in conjunction with Lulu (www.lulu.com), the world's fastest-growing provider of print-on-demand books, addresses pretty much all the major elements of getting into the public speaking business in a simplistic down to earth uncomplicated approach. You will realize there is more to public speaking than just getting up to talk.
