can death be delayed or aging reversed? this same question has driven man kind to in filthy anal s of history. Our most ancient text describes fruit, that engenders knowledge that of good or evil. A tree of life that delivers immortality and even a age quenching fountain of youth. The search for life altering sustenance has driven explores to calm the face of the earth - determined to learn weather mighty morsels were the fabric of myth or the substance of reality. Such explorations brought under the discovery of new worlds and the destruction of old civilizations, for over 4000, years only one prized mushroom has surfaced as the most fascinating and highly documented food ever encountered burgundy red in color with a bright shiny skin Ganoderma lucidum with more 200 vital nutrients is the closest thing to nutritional perfection found in nature. rich in organic germanium tryterponoids Ganoderms antioxidants amino acids and more no other vegetation begins to compare, extremely rare in nature Ganoderma grows in only 2 out of 10.000 aged wild plum trees found in a dense and humid high mountain forest of Asia, these ancient rain forest are considered the oldest uncompromised growth on the planet," and are the birth place of numerous vital chemicals used by the pharmaceutical industry and production of scores of medications. Under penalty of death Ganoderma was only available to the wealthy and ruling forces how first discovered it's almost miraculous benefits, crowned by Chinese amperes as king of the herbs, this remarkable mushroom became their imperial chi or life force, which they believe could make their dynasties eternal. Ganoderma is documented in thousands of ancients Chinese paintings were its presence simbalizes long life. Immortalized in the earliest Chinese grammatical text shang nung as the worlds most superior herb Ganoderma is revered

like no other source of nutrition, using modern technology to unlock ancient wisdom, six potent verities of red Ganoderma have been found to exhibit extraordinary nutrient saturation, these amazing specimens are exclusively cultivated in a controlled organic environment pristine rain forest of Malaysia. where you will also find wise looking orangutan's, flowers as big as tables, deer as small as puppies and butter flies the size of birds. Recently Ganoderma research has escalated," blessed with over one hundred antioxidants that rejuvenate the body, on a cellular level volumes of studies document this amazing restorative properties. A Fox news affiliate out of Florida recently identified Ganoderma enriched coffee as your best resource for wellness in a cup - The discovery channel reports that people with compromised immune systems Ganoderma increases immune boosting T cells,- The Los Angeles Times reports Ganoderma acts by increasing a number of so called natural killer cells, where theirs several types of cells in your bodies immune system. News weeks reaction holly shitake that in short on scientific terms is the reaction of researchers of hunting for potential medicines in mushrooms. USA Today high lights the benefits of Ganoderma and proclaims that plant foods turns super care of to fight disease. Even the prestigious national institute of health and the national Library of Madison have logged several studies on their pub med web site , documenting the biological activities, and pharmacological functions of Ganoderma Lucidum. The list goes on and on, in combination multiple sources state Ganoderma therapeutic attributes are immune enhancing oxygen enriching free radical scavenging, and plusive promoting, heavy metal detoxifying, fatigue reducing and performance improving. Gano Excel a name derived from the mature Ganoderma and its younger mycelium seedling branded as excellium congers the sense of far away places were the mystteries of health invite you to lush world of discovery. It is also the name of a company dedicated to delivery of Ganoderma to the world. via a standardized and proprietary extract using one of the most fascinating mediums ever. with uncommon vision and brilliant determination Gano Excel combined Ganoderma (reishi mushroom).
