

Jacksonville Recording Studio is Bringing Music Education with it's Free Music Business Training

Since opening its doors in May 2007, E.R.R.U.P.T. Studios has seen wide success. As a show of appreciation to the positive response from the community, studio owners Jeron Davis and Brian R. Arnold feel it is time to give back.

Aug. 23, 2007 - [PRLog](#) -- Jacksonville, Florida, 23 August 2007- Developed as the brainchild of studio co-owner Jeron Davis, E.R.R.U.P.T. Studios is proud to introduce their Music Business Training Workshop 2007 (MBT '07). The Music Business Training Workshop 2007 is the genesis of E.R.R.U.P.T. Studios' community outreach efforts, designed to educate the people of Jacksonville about the music recording industry. MBT '07 will be a six-part series providing insight and instruction on the various components that make up the music industry, featuring topics such as: artist management, music recording, contracts, music publishing, music artist inventory, and more. The workshops will be held every first and third Saturday of each month beginning September 1st from 11am-1:00pm in the E.R.R.U.P.T. Studios Resource Center, 10695 Beach Blvd., Suite #2, Jacksonville, FL 32246.

Participants will be treated to presentations and commentary from a host of industry experts. Additionally, the workshop includes a tour of the studio, and a one-on-one Q&A session with workshop presenters. The workshops are free to the public and open to all ages. Children and their parents, along with youth organizations are strongly encouraged to participate. Registration for the workshops is required due to limited seating, thus availability is first come, first served.

For additional information or to register for the "Music Business Training Workshop", contact Jeron Davis (904) 646-4797 or visit www.myspace.com/erruptstudios.

E.R.R.U.P.T. Studios offers high quality recording services (which include recording, mixing and mastering). Additionally graphic design services, full-service printing and CD/DVD duplication are offered through sister company Disc Copy Inc.
