

SeminarInformation.com Adds New Dates and Locations for Seminars Through The End of 2007.

By Mona Piontkowski/SeminarInformation.com

Dated: Sep 05, 2007

Fred Pryor, National Seminars, Council on Education in Management, Learning Tree and NTT dates and locations through December of 2007 have been added to www.SeminarInformation.com

"We've just added the latest schedule of dates and locations for some of our major seminars sponsors" says Catherine Bellizzi, President of SeminarInformation.com. "We have the latest information on courses from National Seminars, Fred Pryor and CareerTrack, Learning Tree, The Council on Education in Management and National Technology Transfer through the end of the year."

The Seminar Information database lists seminar dates and locations for over 600 seminar companies. Users can find and register for seminars online, by phone or fax.

Started in 1981 as the SIS WORKBOOK, Seminar Information Service continues to be the leader in the industry listing more information than any other seminar website on the Internet. Viewers can search by date, location, title, topic or even seminar provider on the user-friendly website. Seminar Information boasts a large listing of on-demand, onsite seminars as well. Visit the website at www.SeminarInformation.com or call them toll-free at 877-SEM-INFO (877-736-4636).

###

SeminarInformation.com is the largest, most comprehensive database of seminars and conferences on the Internet. Started in 1981 as Seminar Information Service, Inc. publishers of the SIS WORKBOOK, it has served as the source of information for seminars for the Fortune 500 as well as most government agencies.
