eUKhost Ltd (<http://www.eUKhost.com>), UK's premier web-host, recently launched a new Business Web Hosting Plan with 100% Server Uptime Guarantee especially for Corporate customers with important business websites.

The company has carried out extensive R&D work to ensure smooth functioning of the process thereby making sure eUKhost's customers receive the most reliable service.

Mark Ducadi, eUKhost's CMO, stated "We are always looking for ways to constantly enhance our services by offering the latest technical strategies and our superior technology and systems help us accomplish this. To continue with the trend, we have now implemented Mirroring Solution with FAM and RSYNC modules to offer Business Web Hosting with 100% Uptime Guarantee."

eUKhost's new Business web hosting plan comes with 5 GB Disk Space and 100 GB Monthly Transfer priced at £19.99/Month. Every Business account runs on 2 high configuration servers in 2 different racks out of which one server is master server and other is slave. With generous technical allowances and mirroring solution, the plan is ideal for Corporate Professionals.

As the UK's Premier web host, eUKhost offers a comprehensive range of the latest web solutions including domain name registrations, shared web hosting, reseller hosting, virtual private servers, dedicated servers, business web hosting and offsite back-up solutions.
