The eBooks About Love Blog is the place to learn about what is new/hot in romance eBooks. The Blog highlights new book releases, offers reviews and recommendations and reports news and presents coupons for discounts in the eBooks About Love store.

eBooks About Love (<http://www.eBooksAboutLove.com>) and eBooks About Everything (<http://www.eBooksAboutEverything.com>) proudly present their newest Blog: the eBooks About Love Blog (<http://eBooksAboutLove.Blogspot.com>).

The eBooks About Love Blog specifically identifies and spotlights the most current eBooks about Love and Romance. There are Romance titles for both young adults and those of us who are older. If you are looking for love, not sexy, steamy fiction check out eBooks About Love. Blog contributors review books, argue opinions and highlight current news and events. The Blog is updated with a listing of the newest books available. As an added benefit to subscribers, the staff picks and recommends titles. Most spotlighted books are offered at specially discounted prices. Visitors are encouraged to stay up to the minute by subscribing to the Blog and daily RSS feed.

Gigi Reynard, CEO of eBooks About says, "The eBooks About Love Blog is a place for experts, voyeurs, scholars and casual readers to come together and exchange opinions, ask questions, review books and pass on news. We welcome anyone with an interest in Love to contribute comments, book reviews, Blog articles, news and opinions."

The eBooks About Love Blog (<http://eBooksAboutLove.Blogspot.com>) compliments the eBooks About Love (www.eBooksAboutLove.com) store. Additionally, eBooks About Love (as an eBooks About Everything store) offers customers reward points for registering, writing an online review or referring a friend. These points can add up to huge savings anywhere in the large and growing family of eBooks About bookstores.
