

Creativity Is The Key To This Artist's Success

This artist designs and hand-creates her own unique jewelry with a variety of earthy and rustic materials!

Nov. 7, 2007 - [PRLog](#) -- Rebecca Bogan of Adobe Sol Designs is one very talented artist that you will want to keep your eye on. Her jewelry designs are truly unique and stand out from the crowd. Her copper and sterling silver wire work are quite popular as well as her handmade lampwork, clay and gemstone jewelry.

Rebecca creates her original one-of-a-kind designs in her New Mexico home studio. Each piece is handcrafted with meticulous attention to detail and construction. She uses only high quality materials in all of her designs. Ms. Bogan also does custom jewelry work. She has an uncanny ability to make a piece of jewelry specifically for a person using just a few details about their personalities.

About Adobe Sol Designs:

Rebecca started her career as a jewelry designer in the mid-90s, largely self-taught, making jewelry for herself and friends. She went public with her craft in 2005, displaying her work in select retail shops and websites. She launched her Adobe Sol Designs website in 2007. She operates every aspect of her home-based business herself.
