By Avnex Ltd.

Dated: Nov 09, 2007

Today, AVnex Ltd. announced that they have updated their catalog of cell phone ringtone archive at Make4fun Community. Users can download free funny MP3 ringtones at its site.

Helen Le from Make4fun told us, "Our free ringtones are now very popular. With a wide range of choices from alien, animal, DJ, music, nature, funny ringtones to Halloween, Valentine's Day, Christmas and New Year ones. We're now serving thousands of users all over the world who want to make their cellphone unique."

The database consists of hundreds of ringtones to share with Community members as well as anyone who accesses it. It is updated everyday to bring more joy to our users from all over the world.

"To make it easier for users, we've just categorized our bulk archive of ringtones. The Top 5 Downloads indicates the top 5 cell phone ringtones downloaded from the website, regardless of the categories they are in," explained Le.

Moreover, from the website, there is a ringtone-making tip to help users to make cool funny ringtones in just a few clicks with AVnex Ltd.'s top multimedia products (AV Voice Changer Software Diamond 5.0 and AV Music Morpher Gold 4.0).
