*Don Rodger, Vice President of BizCom Web Services, Inc. announces the launching of hosted Microsoft services.*

Raleigh, NC –Don Rodger, Vice President of BizCom Web Services, Inc. announces the launching of hosted Microsoft services.

“This is a big step for us,” Rodger said. “We’re set to launch our Hosted Microsoft Exchange service in December 2007 and we’re currently ahead of schedule with our deployment of hosted Microsoft SharePoint which will be available in January 2008.

We will now be able to provide small and medium-sized businesses with a rich set of high-end enterprise-level services at a fraction of what it would cost to bring them in-house,” said Mark Wiener, President of BizCom.
