*SeminarInformation.com has just updated it's database with thousand of new dates and locations for seminars. Now find a seminar locally, enroll online, by phone or fax and forgo having to travel for the training you need.*

[www.SeminarInformation.com](http://www.SeminarInformation.com), the largest free database of seminars and conferences on the Internet has just updated it's listings to include thousands of new seminar dates and locations.

"We've thousands of dates and locations through the first quarter of 2008" says Catherine Bellizzi, President of [SeminarInformation.com](http://SeminarInformation.com). "We've tried to make it easier for potential attendees to find training closer to home, especially as the winter weather makes travel all that much harder".

Seminars from Learning Tree, SkillPath, CompuMaster, Cross Country Education, Office Dynamics, NBI, Inc., UCLA Extension, Technology Futures, Information Mapping, and Barnes & Conti are just some of the companies updated.

Users of the free site can find a seminar by date, location, title, topic, or even seminar sponsor; then read a complete outline of the course and enroll either online, by phone at 877-SEM-INFO or by fax.
