Enchanting, by Celine Dion Parfums, is a sophisticated floral scent. It begins with a blossoming bouquet of osmanthus and cyclamen sprinkled with enticing ripe red berries. Next come irresistibly feminine notes of diamond orchid, blooming gardenia, fresh freesia, and airy mimosa. Exotic notes of sandalwood, amber and tonka complete the journey, enveloping the wearer in a warm, sensual veil of intrigue. Enchanting is captured in a tall and graceful bottle, reminiscent of a long, flowing and feminine gown. This charming fragrance is an expression of every woman's power to enchant them all.
