

Gynecology And Laparoscopic Surgeons, PC, Releases Podcast On Hysteroscopy

Dr. Lisa Roberts Discusses Procedure For Viewing Uterus

Jan. 18, 2008 - [PRLog](#) -- RALEIGH, N.C. – Dr. Lisa Roberts, president and CEO of Gynecology and Laparoscopic Surgeons, PC (www.glsi.info), has announced the release of a podcast discussing hysteroscopy, a minimally invasive way of looking inside the uterus. In the podcast, Dr. Roberts discusses what a hysteroscopy is, the reasons a hysteroscopy may be utilized, how the hysteroscopy procedure is performed and what a woman should expect following the procedure. The podcast is now available for download at www.mmimarketing.com/podcast/hysteroscopy-101.

Gynecology and Laparoscopic Surgeons, PC, is a Raleigh-based women's medical practice providing adolescent/adult annual exams, pap smear screening, colposcopy, LEEP treatments of abnormal pap tests, hysterectomy, hysterectomy alternatives, laparoscopy, hysteroscopy, advanced hysteroscopy, laser surgery, endometrial ablation, birth control and female sterilization. Dr. Lisa M. Roberts, Dr. Tammy Hilbert and Dr. Elizabeth Roede Barbee specialize in advanced laparoscopy, which offers significantly faster recovery, less post-operative pain and much smaller scars.

About Gynecology and Laparoscopic Surgeons, PC:

Gynecology and Laparoscopic Surgeons, PC, is a Raleigh-based women's medical practice specializing in compassionate gynecologic care and expertise in the following areas: adolescent/adult annual exams, pap smear screening, colposcopy, LEEP treatments of abnormal pap tests, hysterectomy, hysterectomy alternatives, laparoscopy, hysteroscopy, advanced hysteroscopy, laser surgery, endometrial ablation, birth control and female sterilization. The practice's special expertise is in advanced laparoscopy, which offers significantly faster recovery, less post-operative pain and much smaller scars. Gynecology and Laparoscopic Surgeons is committed to providing superior quality medical care, and through such care, empowering their patients to achieve a higher quality of life.

The practice is comprised of three female physicians: Dr. Lisa M. Roberts, Dr. Tammy Hilbert and Dr. Elizabeth Roede Barbee. Dr. Roberts is a board-certified gynecologist and graduate of the University of

North Carolina School of Medicine. She completed her OB/GYN residency at Wake Forest University Medical Center, followed by two fellowships in advanced gynecologic endoscopic surgery, one under the direction of Dr. Harry Reich, a pioneer in the field, and another under Dr. Joseph Sanfilippo at Allegheny General Hospital and Magee Women's Hospital in Pittsburgh, Pa. Dr. Hilbert earned her medical degree from the University of Cincinnati College of Medicine, where she was recognized with the prestigious Cincinnati Obstetrical and Gynecological Society Award. She completed her residency at St. Vincent Hospitals and Health Services in Indianapolis, Ind. Dr. Barbee, who attended medical school at the University of North Carolina School of Medicine, where she also received a master's degree in public health. She completed her OB/GYN residency at New York-Presbyterian Hospital/Cornell in New York City. Dr. Barbee has fellowship training in Urogynecology and Pelvic Reconstructive Surgery at the University of North Carolina under the guidance of Dr. Ellen Wells and Dr. Tony Visco, two of the premiere urogynecologists in the Southeast. For more information on the practice, visit the Web site at www.glsi.info.
