

Million Impossible PLC to Globalise UK Business Model

By Million Impossible plc

Dated: Jan 21, 2008

Essex based Entrepreneur business Million Impossible PLC announced that they have instructed Commercial Agents to secure purpose built business premises to facilitate 2008 growth and secure up to 80 new jobs in Essex.

Heidi Weir Operations Director announced today “We are delighted that the business has emerged successfully through our initial market penetration and I am looking forward to helping the business secure new jobs for the Essex, Herts and East London community”.

Million Impossible launched their “Entrepreneur Networking Website” during November 2007 and have already reached their UK membership target after 8 weeks of live trading. The company are about to embark on a major recruitment drive to secure Business Development Managers, web designers, I.T. personnel and support staff.

Million Impossible’s entrepreneur based web site www.millionimpossible.com is the first of what the company has described as many “Business Entrepreneur Networking Sites” which will emerge during 2008. Million Impossible offer a platform for Entrepreneurs to talk, discuss and share their ideas with each other, gather sales intelligence and promote their business to other UK members as well as seek equity investment.

The ethos of the business is that Entrepreneurs should not have to walk alone and that there is a support network available that will help their business move forward more safely using “Strength in Numbers”. The collective experience of the Million Impossible members now stands at over 2400 years of combined business experience and growing every day.

The company now plans to radically develop the web site offering to include two levels of membership -Standard Membership and a VIP membership. Million Impossible expect that the planned development changes to the site will go live in March 2008.

Million Impossible PLC expect to move into publishing shortly and are due to launch a paid for Magazine - Million Impossible Entrepreneur Magazine “For Ultimate Sharp Shooters” during Q1 2008. The magazine will follow Million Impossible’s Entrepreneur members and their journey towards success. There is also talk of a TV show Million Impossible- “The Ultimate Entrepreneur Playground” where the UK public phone in and vote on businesses that are looking to secure investment. A Dragons Den type programme but where the UK public become “Dragons”.

Simon Clarke Director and co- founder said today “So many people enjoy programmes like Dragons Den and Tycoon. The UK public love the passion and desire that Entrepreneurs have and they respect the challenges that they face during their business careers. Entrepreneurs face ups and downs and some have many failures before they reach their desired goals. I would like to see the UK public get behind our future Entrepreneurs and who knows we may even find the next Sir Richard Branson!”

Million Impossible owns and operates the Sourcer Group Brands which include Business Sourcer www.businesssourcer.com - A free to advertise Internet based Business Directory and Number Sourcer www.numbersourcer.com which has over 7 million searchable telecoms numbers such as 0800 , 0845 and local town numbers. The company plans to launch further Sourcer Group Brand web sites later this year.
