

Smaller bakers do it better? Pro Auction will conduct an auction sale

Pro Auction will conduct an auction sale of the entire craft bakery at the former Rigby's Bakery plant in Morley Leeds. According to market research group smaller bakery companies are increasing sales at three times the rate of larger companies

Jan. 25, 2008 - [PRLog](#) -- Pro Auction will conduct an auction sale of the entire craft bakery at the former Rigby's Bakery plant in Morley Leeds.

Several interesting lots will go under the auctioneers hammer, which will appeal to a wide range of craft and plant bakeries alike.

The sale will include a state of the art Backtech bread plant, dividers, mixers, moulders and depositors along with a complete savoury pie manufacturing equipment. In addition to the equipment, the auctioneers will also offer Tom Chandley Ovens, retarder provers, Rondo pastry brakes and confectionery equipment at the plant. The sale will also include a pitta bread manufacturing plant with a capacity of 6 – 7000 pieces per hour.

According to market research group Plimsoll, smaller bakery companies are increasing sales at three times the rate of larger competitors, delivering profitability that is four times as high, given the amount of used food machinery available from this bakery sale Pro Auction are expecting a good attendance by the up and coming smaller bakery companies.

in addition to the bespoke bakery equipment, a number of lots will appeal to the food manufacturing industry generally and will include items such as trief high speed slicer, multivac & HFE thermoforming machines, ilpra speedy tray sealer, fast pack flow wrapping machine, digital scales, insectocutors, Rational combination ovens, falcon bratt pan, vacuum packing machines, metal detectors, mainca vector um300 slicers, endoline carton sealer, table top vacuum packers, Witt gas mixers sinks & hand wash basins, racks & trolleys, complete refrigeration packs fork lifts & hand pallet trucks.

Lots that of particular interest to the smaller bakers which are manufactured by leading equipment suppliers throughout Europe include rounders, bun, divider, bdms, pinners french, stick/baguette, bake, off, oven, deck, rack, setter, speed, hobart, industrial, planetary, spiral, twin, arm, mixers conveyors, croissant, production, lines, sheeters, extruders, cake, slicers, chocolate enrober, fondant, confectionary, donut, fryers, jammers, glazers, multi, head, pneumatic, pumps, sealers, metal, detectors, flowwrapper, plant and flour silos.
