

## **Instant Cash Advances & Payday Loans Online in California**

*American Cash Market is rolling out online payday loans as part of their service. This includes instant payday loan and cash advances approvals without faxing anything.*

**Feb. 6, 2008** - [PRLog](#) -- Online Payday loans is a comparatively a new service being introduced into the Californian market but has been available in the North America and U.K. for quite some time. American Cash Market Inc. has significant experience in the payday loans market, having consulted many Los Angeles leading payday loans companies since 1998.

This new service is 100% on-line based. Even the instant approval system was developed absolutely fax-free

American Cash Market Inc. CEO said , “It’s great to be at the forefront of a new emerging payday loans market in California. I had observed the growth of the Company and our fast and efficient loan process. I’m really excited to be here, helping customers cure their immediate cash needs with an instant online payday loans product.

We’re quick at approving process; faster than anybody else in the industry at putting the cash in the customers’ accounts – payment within one hour is unrivalled by other payday loans companies; and keen to make the payday loans process an easy one.”

One of the things that initially impressed competition and Customers about [www.AmericanCashMarket.com](#) was the fair, transparent, and convenient approach to payday lending. We really believe in payday lending as an important tool in the customer’s credit tool box.

We are here to meet short-term cash needs, however by being paid back on the customer’s payday, they don’t hang around long after they’ve spent their paycheck money! Payday loans help people meet that sudden, unexpected cash need – and within an hour, it really is instant cash relief.

We always knew that the opportunity for growth in the short term payday loans market would be immense. Bringing someone with our experience to the market can only help keep our rightful place at the head of California online payday lending industry.

With significant growth plans, continual new advertising and marketing programs , greater efficiencies in providing quick cash to customers when they need it, personal attention to each and every Customer, we are striving to be one of the leading payday loans company on the Internet.
