*Dated: Feb 09, 2008*

*Our tax professionals work to deliver value-added tax planning services, working with our clients to provide approaches and solutions critical to tax and business issues.*

### Tax Planning & Consulting

Our tax professionals work to deliver value-added tax planning services, working with our clients to provide approaches and solutions critical to tax and business issues.

Our Tax Services division formulates effective strategies to:

Ensure tax compliance with relevant laws.

Implement innovative tax planning methods.

Optimize the use of tax incentives and thus reduce tax liability.

We provide "corporate" and "personal" tax services for companies and individuals, and ensure that all tax returns are filed and submitted on a timely basis thus avoiding tax penalties due to late submissions.

Here are some of the areas in which our Tax Services division can add value to your firm.

Corporate and personal taxation services

Tax compliance and outsourcing

Tax planning

Tax audit

Seeking extension of time for filing returns

Filing of Estimated Chargeable Income (ECI)

Tax computation

Filing of Tax Return-Form C

Raise objections - Reply to tax queries

Personal tax computation
