

## **It's Now Our Freedom Mission!**

*Ron Paul sparked it; we must kindle a Blaze..It's our turn now to rally the troops for freedom.*

It's our turn now to rally the troops for freedom. Ron Paul cried out mission orders, "This fight is about the Constitution, freedom, and individual liberty!" Did we get it?

If so, why do we whine? Ron Paul started the rescue mission of the Constitution; it's now our mission to finish. My last post, "Mitt Romney asked to step aside?" may also apply to our Candidate, Ron Paul. If he, too, was firmly asked to step aside, we have to accept this as our smoke signal to take over.

**The GOOD NEWS** is this rescue mission is not about Ron Paul (Revere); it was and is a wake up call for us, the American people! "The British are coming; the British are coming in the form of a World Communist Government." We must rise up to defend our Constitutional and unalienable rights.

In 1798, Thomas Jefferson declared, "**In questions of power, then, let no more be heard of confidence in man, but bind him down from mischief by the chains of the Constitution.**"

Mischief is what we have in our government. National elected Officials and their appointed Officers criminal contempt of their oaths of office (to the Constitution) have trickled down to corrupt LOCAL County Election Supervisors throughout the American several states.

### **HERE IS THE PLAN!**

They should be our target! All of you who have witnessed voter fraud or appearances of it, don't just chatter among the choir, but move on and file notices of complaint with the Department of Justice. You will find a form online.

Click here: <http://www.usdoj.gov/crt/cor/Pubs/manuals/tab5.pdf>

The fact sheet below states, "The Department of Justice has responsibility for enforcing the laws guaranteeing voting rights and prosecuting voting fraud. The Civil Rights and Criminal divisions of the Department of Justice are involved in elections to ensure both ballot access and ballot integrity."

Go to this site: [http://www.usdoj.gov/opa/pr/2002/November/02\\_at\\_641.htm](http://www.usdoj.gov/opa/pr/2002/November/02_at_641.htm)

Our rescue mission must be a PAPER WAR! We are beyond Paul Revere's cry on horseback; we are a nation of people on the information Superhighway so let's wage a PAPER WAR. A Paper War in the form of verified complaints with the Department of Justice. Don't worry about whether they respond or not, file the complaint. Let's show them we respect the rule of law. Posting the complaints on the internet will help, also sending it to any media that will accept it.

Let's not be negative, let's just do it! It only takes a spark to start a Revolution. Ron Paul lit the fire, let's keep it burning brightly. Even Jefferson considered government an inherent threat to liberty. Let's roll!

It's about the **POWER OF THE PEN!**
