Rochester, MI- Chrome Wire Shelving is an extremely flexible storage solution. Shelving Inc. offers a wide array of chrome wire shelving sizes and accessories to create a customized storage solution for any office space available at www.shelving.com.

Offices, shops, restaurants, and businesses will benefit from the many available sizes of Chrome Wire Shelving. Standard Chrome Wire Shelving Units come with four convenient shelves and are available in depths of 12", 18", and 24", widths of 12" to 72", and heights of 54" to 96". Shelving Inc. also offers Add-On Units which can easily be connected to existing Chrome Wire Shelving Units to accommodate growing storage needs.

All units may be customized with a variety of accessories, including casters, shelf dividers, and shelf ledges. Shelving Inc. also carries enclosure kits and shelf liners to transform open chrome wire shelving units into tidy cabinets.

About Shelving, Inc. & The Shelving Store

For nearly 50 years, Shelving, Inc. has helped business and industry bring order to the messiness of the workplace. The experts at Shelving, Inc. streamline storage procedures and organize any commercial or public space. Shelving, Inc. has served the business community in the Detroit metropolitan area since 1960. Beginning in 1996, it began serving customers nationwide when the company launched its first cyberstore at www.shelving.com. Increasingly, these customers requested products for their homes. The owners of Shelving, Inc. decided it was time to launch their second cyberstore and first residential showroom. At www.theshelvingstore.com, and a showroom in Madison Heights, Michigan they now bring their organizational expertise to any storage space in your home. Shelving, Inc. and The Shelving Store have two distribution centers that ship products globally.

#

The Shelving Store provides wire shelving a wide variety of shelving needs for homes, condos, dorms, offices and businesses including lockers, cabinets, storage containers, bins and pallet racking. Inexpensive shelf systems and storage solutions.
