Cullen's Abc's (<http://www.cullensabcs.com/>) child education video activities are a fun way to countdown to the Leap Year celebration on February 29, 2008. These free, interactive videos are available from February 23 through February 29.

Join Cullen Wood and Gator, a puppet, each day as they review each calendar day and take a frog link off a lily pad in their countdown to the Leap Year celebration. The interactive child education video series is titled, "Leap Year Frog Countdown." These seven videos help children develop such skills as attention, memory, and language. There are also Leap Year activity idea videos for adults to watch and share with their children:

Child Activity Ideas Cullen's Abc's

- o Fishing for Frogs
- o Frog Patterning Child Idea
- o Frog Memory Game
- o Lilly Pad Leap
- o Leap Year Frog Lily Pad

You can even make your own lily pad with your child by watching the "Leap Year Frog Lily Pad" activity idea video and then take a frog from the pad each day with Cullen and Gator. Make the Leap Year Frog Countdown video series part of your daily schedule, and watch them at the same time each day.

"Leap Year only comes every four years, so it is a great event to use for teaching and celebrating," states Cullen Wood, founder of Cullen's Abc's. "Frogs are such fun to use with Leap Year because they leap, children are familiar with them and related items are easy to find."
