Author claims ancient conspiracy created modern world turmoil.

"Earth has a secret history," says R.D. Valenti, author of 'Sacred Illusions'. "Its name is fear. Its legacy is greed and corruption."

It is recorded in ancient scriptures that thousands of years ago, certain men came into possession of books containing information so far beyond belief, they labeled the knowledge The Great Mysteries of God. This pronouncement immediately assigned the books to the realm of the Supernatural; placing them into the hands of priests who proclaimed the mysterious testaments Sacred and hid them away in dark, secret chambers. From that day forward, only learned and wealthy men, kings and pharaohs were allowed to read the secret books. Common men were forbidden to read or even be told the contents.

"The time has come," says Valenti, "for that knowledge to be shared."

'Sacred Illusions' is a fictional account of the secrets and forbidden knowledge Valenti uncovered. Walking Man, a wandering shaman, brings four men back to life; Enoch, Ezekiel, Daniel and John of the Book of Revelations. These four great prophet/witnesses tell stories so astounding they just may be true.

Exposed within the book are:

The Rogue Angel who destroyed Paradise
The Deadly connection between Original Sin and DNA
The Secret of the Great Flood of Noah's Day
666: The Number of a Celestial Beast
Nuclear Fission: Hidden symbol in Exodus
Jesus of Heaven - For those who have ears to hear
