*Dated: Mar 14, 2008*

*PC-PLUS Technologies, an industry leader in information technology, announced today that it will hold a technology fair on Thursday March 20th in Warwick Rhode Island. Admission is free.*

PC-PLUS Technologies, an industry leader in information technology, announced today that it will hold a technology fair on Thursday March 20th in Warwick Rhode Island. Admission is free.

The Technology Fair, will run from noon to 7pm at hosted at Boston Billiard Club located at 33 Lambert Lind Highway in Warwick. Technology vendors from across North America will be on hand for this once a year event. Microsoft, Cisco, DELL, HP, Intel, and many other of major names in information technology will be presenting their latest products. Additionally, local companies Servprise, Paetec and Northeast Laser Image will display their latest products and services.

Attendees of the Fair will receive complimentary lunch, the opportunity to win many great prizes and giveaways including Red Sox vs. Yankees tickets, participate in a pool tournament and can participate in our "After Hours" networking event hosted by comedian James Dorsey.

"This event started with the idea that we needed to keep our customers and the marketplace up to date on the ever changing world of technology" "We have been overwhelmed at the response and anticipate that over 300 people will attend this year", said Steven Cariglio, President of PC-PLUS.

The Technology Fair features the latest software, hardware and services from the best in the industry.

"An important part of the Fair are the hands-on demonstrations. This is designed for businesses to gain an understanding of the new technologies that can assist in growing their profits" commented, Greg Abrams Vice President of Technology for PC-PLUS.

"We are excited to work with PC-PLUS Technologies on their Fair, stated Kurt Mathias President of Boston Billiard Club." "They selected our venue in order to capitalize on our size and to ensure that their guests have fun"

PC-PLUS Technologies was founded in 1988 and is a leader in IT sales service and support has offices in Auburn, MA and East Providence, Rhode Island. To attend the seminar simply call 508-756-9300 or register online at [pcplustech.com](http://pcplustech.com).
