Outskirts Press Announces WEST OF 16W, a Literary Novel of Young Love and Rucksack Travels in Post-9/11 America, from North Jersey Author Mark Slomiany

Outskirts Press, Inc. has published West of 16W by Mark Slomiany, which is the author's most recent book to date. The 5.5 x 8.5 Paperback in the Literary category is available worldwide on book retailer websites such as Amazon and Barnes & Noble for a suggested retail price of \$12.95. The webpage at www.outskirtspress.com/westof16w was launched simultaneously with the book's publication.

About the Book (Excerpts & Info)

A telling story of a country caught up in the aimless materialism of a real estate bubble, WEST OF 16W follows the romance and travails of a man in his late 20's, as he and his friends chase their unconventional aspirations in an era dominated by apathy, materialism, and self-interest. Meet Mark, the son of immigrants, whose need to fulfill familial expectations led to a life of hard study culminating in a Ph.D. by his mid-20's. Yet underneath the disciplined scientist facade, Mark had always dreamed of traveling the country and writing great novels. And so, with diploma in hand and love life in shambles, Mark hits the road to explore his long-suppressed literary aspirations. Set amongst the fear and uncertainty of post-9/11 America and the charged summer of the 2004 Republican Convention in New York, WEST OF 16W takes us into the quarter-life crisis of a young man struggling to maintain his idealism, as told through the scrolling tableau of the American landscape. From the deep south of Charleston, to his North Jersey hometown in the shadow of Manhattan, to the west coast by bus, the novel is as much an introspective journey as cross-country adventure as Mark seeks balance between familial expectations, personal aspirations, and the affection of the woman he loves.

Deftly constructed at 412 pages, with a timely release in lieu of the next presidential election, West of 16W is being aggressively promoted to appropriate markets with a focus on the Literary category. With U.S. wholesale distribution through Ingram and Baker & Taylor, and pervasive online availability through Amazon, Barnes & Noble and elsewhere, West of 16W meets consumer demand through both retail and library markets with a suggested retail price of \$12.95 (paperback) and \$4.95 (Amazon Kindle e-Book).

Additionally, West of 16W can be ordered by retailers or wholesalers for the maximum trade discount price set by the author in quantities of ten or more from the Outskirts Press wholesale online bookstore at www.outskirtspress.com/buybooks

ISBN: 9781432703110 Format: 5.5 x 8.5 Paperback SRP: \$12.95
