*The SeminarInformation.com website lists thousands of seminars given in hundreds of cities enabling users to find a seminar close to home.*

"We've watched as the airlines have cancelled thousands of flights," says Catherine Bellizzi, President of SeminarInformation.com, "and we know the impact this is having on business in general, not to mention the training business. Rather than cancel much needed training we invite everyone to visit our website, [www.SeminarInformation.com](http://www.SeminarInformation.com) and find the training they need closer to home - usually in their own city."

SeminarInformation.com lists thousands of seminars presented in hundreds of cities. Users of the free website can find a seminar, find a date and location and register online, by phone toll-free at 877-SEM-INFO or by fax at 949-261-1963.

Complete outlines of seminars are available so that viewers can compare and contrast offerings from sponsors including SkillPath, Fred Pryor, National Seminars, CareerTrack, Padgett Thompson, CompuMaster, the American Management Association, Lorman, Learning Tree, Cross Country Education, Linkage and American Trainco.

Seminar experts are available to assist with the search and to make recommendations. They can also arrange for onsite presentations of most seminars for larger groups - another way to save travel hassles.
