Augusta, AR, April 14, 2008 – Hip hop mogul Rod Mosby aka Muniklip has completed his 1st of 4 movie scripts for the summer of 2008. He intends to write, film, and release all 4 short films before the summer ends.

“I’ve always had a love for film production and have studied the art in order to produce my own films,” Mosby exclaims. The movie is entitled “2 Hour Flight.” It involves a widow who seeks out cheating husbands and exposes them. “The female’s name is Ashley, and her husband was killed after being caught with another woman. I don’t want to give too much of the story away, but I think people will enjoy this film.”

Mosby is a member of Pimp Script, an online company that gives its members the ability to submit their movie scripts directly to various companies. He has written 3 full length movies - Surface, First Come, and Vivika. His script for “First Come” was requested by a California based company, but no sale has been reported. His other accomplishments include 2 completed albums, a book of poetry, being registered as a Who’s Who Amongst Business Owners, and overseas performances in the Middle East.
