

Kristi Lee's Dirrty Mouth: The Rock Industry's Grapevine

By Blastro Networks

Dated: Apr 15, 2008

Catch the Latest News on Austin City Limits, Pete Doherty, Ashlee Simpson & Pete Wentz, New Kids On The Block, the Raconteurs, Nickelback, Richie Sambora and More!

AUSTIN, Texas—Kristi Lee's Dirrty Mouth, brought to you by Blastro Networks' music entertainment site Roxwel (www.roxwel.com), yet again blasts the web with her tell-it-like-it-is rants on the latest shakeups in the rock industry. Known for her bombshell look and feisty personality, Kristi's got her fingers on the pulse of this industry, and her vlog is a must-see for current events, controversial opinions and insider information.

Austin City Limits will announce the festival's 2008 lineup on April 15, but Kristi already has the scoop on a couple headliners—Beck and Radiohead, anyone? And if you haven't heard what Amy Winehouse had to say about Pete Doherty's incarceration, check Kristi's latest vlog out and get pre-order information on Disturbed's new album, Indestructible, and her thoughts on Pete Wentz and Ashlee Simpson's engagement: <http://www.roxwel.com/player/dirrtymouth20080411.html>.

Up next, Kristi covers the return of elementary style lyrics and the recently reunited New Kids On The Block. Get ready to jam with Joey, Danny, Jordan, Donnie and Jonathan because pop music is staging its comeback: <http://www.roxwel.com/player/dirrtymouth20080409popcomeback.html>.

Now, in the actual world of rock n' roll, Kristi's got the latest on the Raconteurs' new album, Nickelback's frontman Chad Kroeger, the M.I.A. benefit concert, Lollapalooza and Velvet Revolver: <http://www.roxwel.com/player/dirrtymouth20080405.html>. And what about Velvet Revolver? Well, see how Kristi's prior comment about "Scott sounding like ass" affected his current situation and what the rumor mill is telling her about Fall Out Boy, Axl Rose, The Allman Brothers Band and Richie Sambora: <http://www.roxwel.com/player/dirrtymouth20080326.html>.

As always, hear it straight from Kristi Lee's Dirrty Mouth at <http://www.roxwel.com/show/dirrtymouth.html>.

ABOUT BLASTRO NETWORKS

Blastro Networks operates the Internet's premier destinations for high quality, ad-supported music content, including major label and independent music videos, artist interviews, industry news and original shows, which are now also featured on "Blastro Music," a channel on Verizon's FiOS TV VOD platform in HD. Blastro (www.blastro.com), voted "Best of the Web 2007" by /Business Week/, is an urban-centric site for Hip-Hop, Pop, R&B, Latin and Reggaeton enthusiasts. Roxwel (www.roxwel.com) is an alternative fusion of Rock, Metal and Indie entertainment, and Yallwire (www.yallwire.com) features Country, Bluegrass and Christian artists.

With a combined reach of over 5,000,000 monthly unique visitors, Blastro Networks' sites provide niche advertising platforms with banner and pre-roll options that reach engaged and highly targeted users. Blastro Networks' advertisers have included American Express, Colgate, Ford, General Motors, Honda, Hyundai, Microsoft, Miramax, New Line Cinema, Nokia, Pfizer, Procter & Gamble, Reebok, T-Mobile and Toyota/Scion.
