

## **Hotel Sales and Catering Sales Internet Marketing - Common sense approach to virtual sales.**

*By WebEventPlanner.com*

*Dated: Apr 18, 2008*

*Webeventplanner.com is committed to providing the hospitality and event planning industry with cost-effective internet marketing and virtual sales tools.*

We do this via our "Real Time Hotel Sales and Catering Sales virtual Tools" while facilitating instant transmission of sales and catering packets to prospective clients and planners. We want meeting, wedding and event planning company staff to find you and use your hotel or catering facility for the next event they are planning. We can help you with your hotel sales and catering sales marketing plan.

<http://www.webeventplanner.com> specializes in electronic sales and catering packet design and offers a unique option to hotels and catering facilities wanting to cut their sales and marketing budgets while providing guests with a complete sales and catering packet in just seconds. It's an unbeatable marketing plan; you save money and attract prospective clients. Using our hotel marketing strategy also helps you close deals faster because you aren't waiting on the mail to deliver packets. Please take a look at the hotel marketing plan samples on our site at <http://www.webeventplanner.com>.

### **Hotel Sales & Catering Sales Internet Marketing**

This "Real Time Hotel Sales and Catering Sales Tool" is designed for hotel sales and catering sales managers to use daily in order to communicate sales and catering information instantly to potential clients. E-packets work as an online marketing tool for your hotel. Close short-term business with one phone call or send a customized and personalized e-packet to each inquiry call. This Internet hotel marketing idea is one that saves you both time and money. Put our 18 years of hospitality and customer service experience, along with our seven years of hospitality Internet development experience to work for you!

###
