May 6, 2008 - [PRLog](#) -- A Pastor friend of mine from Auckland, New Zealand named Rob DeLuca added me recently to his Facebook friends and mentioned prophesying a revival that is now taking place in Lakeland, Florida.

A Canadian minister by the name of Todd Bentley from Fresh Fire Ministries is having a blast in the sunshine state enjoying the move of the Holy Spirit. I attended the meetings on Sunday night May 4th at the Tigers baseball stadium in Lakeland and then May 5th, 10 am morning meeting with Pastor Rob DeLuca and the evening 7pm meeting at the Lakeland Civic Center with Todd Bentley imparting the manifest Presence of God.

The humility and sincerity of Todd is deeply moving as he acknowledges Jesus set him free from every addiction in a drug dealer's trailer many years ago when he hit rock bottom, overdosed on drugs 3 times, was on the street, lost everything, had nowhere to go, and had no money. Abused as a child and the son to a father who was an alcoholic and drug addict for 30 years (just like so many kids in America today), Todd would cut himself, began drinking with his dad when he was 11 years old and attending Hell's Angels biker parties, and ended up in 5 prisons before he was 16 years old.

Certain he would be dead by the time he was 20 years old, Todd a broken young man accepted Christ when he was 18 y/o and started dreaming. Uneducated, poor, broke, a drug addict, without a dime, unlearned, untrained, Todd fell in love with Jesus and has since touched 65 nations and led over 1 million souls to Christ.

Attracted to the manifest presence of God he felt, Todd developed an unquenchable desire for God. The passion for Jesus and compassion for broken people, has opened the heavens over his life. After seeing Jesus who visited him in March, 1998, Todd's wonderful ministry began.

I witnessed a humble man in Lakeland bowing before Jesus, honoring the Lord, and pointing people to Christ. I saw notable miracles as people testified to being healed by Jesus during the worship.

Among the miracles I witnessed at the Lakeland Civic Center on May 5th, 2008.

A man who was deaf in one ear for 59 years came forward testifying that he could now hear out of that ear. Another middle-aged man with hearing problems also testified to now being able to hear so good "It's almost annoying." LOL

Liver disease was healed, tumors disappeared, fibro-myalgia removed by the fire of God's Presence, a girl was healed of leukemia (which her doctor confirmed calling it "spontaneous recovery"), and diabetes was healed (confirmed after days of the woman checking her blood sugar).

During the May 4th, Sunday night service at the Tiger's spring training ball field (which I saw in dream

occurring months ago and suddenly remembered upon arriving) more healings and miracles occurred.

An elderly lady with cancer on pain pills came out of her wheelchair and walked. Another woman named Sue with 6 herniated discs who had been in 2 car accidents was healed. Another woman with a torn chest muscle was healed. Another woman in need of 2 knee replacements was healed and testified of being healed of fibro-myalgia the day before.

A report came forth from Belfast, Ireland from 5 Pastors who had attended the meetings days earlier and returned home. After a boy in Ireland was hospitalized and died (being dead for 15 minutes), when they prayed for the boy, he came back to life and that with no brain damage whatsoever.

So the anointing of the Holy Spirit is tangible and transferrable, being caught and captured, as well as taken back to other countries. Todd reported revival going back to Dunlee, United Kingdom (outside of Birmingham) as they are in their 2nd week of revival meetings.

A young man hit in the face with a jet ski, had no feeling whatsoever in his face as the nerves were dead and had been cut in two. Although it is said in the medical world that nerves don't grow back, this young man was miraculously healed at the revival and rejoiced as feeling returned to his face.

A woman who flew from Holland in need of a touch from God received two gold teeth. Another man fell asleep during the Sunday night meeting and when he woke up his 3 fractured discs were healed. A girl with arthritis was healed. A man with a defibrillator and heart trouble was miraculously healed. Todd told him, "This will be the last electric shock you will need."

Another amazing testimony - a man hospitalized apparently in a mental ward suffering with schizophrenia, kidney problems, and scheduled to have his leg amputated in a couple days was healed as his mother over the cell phone let him listen to the preaching of Todd for 30 minutes. As he heard, he was healed by the anointing of the Holy Spirit and thereafter released by the doctors who sent him home cancelling the amputation surgery.

A woman scheduled for breast surgery with 2 tumors the size of baseballs in her breast and another the size of a plum in her throat testified God removed them and they were gone.

A boy with cerebral palsy from birth was healed, who usually couldn't stand longer than 15 minutes. He talked about soon running around the bases at the ball field.

A PK forgave his parents and was born again.

Todd said Sunday night, "The Presence of God is overwhelming. It's the only thing that satisfies. ...It's not church as usual. There's no agenda. We show up and let Jesus do what He wants to do."

During prayer, Todd said: "My eyes are on Jesus. I'm so hungry for the glory of God."

"We didn't come to hear a man. We came to worship Jesus."

"God's glory will cover the earth."

"I'm speechless."

"The only one that can heal your body is Jesus. Get caught up in worship, in the glory, and that sickness

will come right out of your body."
