

## **HostworX.co.za becomes a partner with SmarterTools Inc.**

*By HostworX*

*Dated: May 15, 2008*

*HostworX is proud to announce their partnership with SmarterTools Inc. as an Authorized Reseller. HostworX, which offers affordable, quality Web hosting Services, is offering competitive prices on the entire line of SmarterTools products.*

HostworX is proud to announce their partnership with SmarterTools Inc. to distribute SmarterTools software as an Authorized Reseller. HostworX, which offers affordable, quality Web hosting Services and products, is offering competitive prices on the entire line of SmarterTools products including SmarterMail, SmarterStats, and SmarterTrack, SmarterTools latest support product.

“We have used SmarterTools products for our Hosting company over the past years and feel that SmarterTools products provide a significant return on investment to the Web community with high-quality, reliable, feature-rich, and cost-effective products. Individuals and small to medium business customers can now afford to have Enterprise-level features at affordable prices!” said Keith Dovale, owner of HostworX.

### About SmarterTools Products

SmarterMail 5.x is a full-featured Windows mail server with a fully scalable infrastructure, unparalleled stability, and advanced collaboration features. SmarterStats is a detailed Web analytics package that allows you to identify Web trends and analyze statistics so you can run your online business at maximum efficiency. SmarterTrack is the latest of SmarterTools superb products to be released, this is a complete Customer Service and Support system designed to track and help resolve incidents.

### About HostworX

HostworX has been providing affordable premium web-based Windows hosting and software and hardware solutions to small and mid-sized businesses since 2006. In addition to HostworX hosting, which offers Windows-based hosting solutions with scripting support for ASP.NET, PHP, MySQL/MS SQL hosting, VISP Reseller Hosting, Dedicated Servers, and Domain Registration, HostworX provides onsite PC and network solutions and support, as well sells affordable Hardware and Software solutions to individuals and small to mid-sized businesses, this now includes SmarterTools’s range of E-mail, Statistics, and Support software.

We understand small business needs because we, too, are a small business, and it shows in our customer satisfaction and repeat business. For more information visit <http://www.HostworX.co.za>
