

JosephSpencer.com launches new Club for its loyal customers!

By JosephSpencer.com

Dated: May 15, 2008

*We wanted to figure out a way to give our repeat customers a special savings and higher levels of support and came up with ****Joseph's Club**** says Ceo of josephspencerc.com, Joseph Spencer*

Blaine, Wa

http://www.JosephSpencer.com has devised a new way for its customers to save even more money on the purchase of sites for sale by creating a new membership platform called "Joseph's Club"

The membership offers the following benefits:

- * 50% off Every Website for Sale!
- * Advance notice before new sites become available for sale to the public. This gives you first chances to view the sites before the general public does!
- * Extra Levels of Support
- * Priority installation of sites you buy
- * Lower prices for custom work you may request now or in the future

How it works:

1. You sign up to become a "Joseph's Club' member using the link below
2. Within 30 minutes to 24 hours your account will be active
3. When you are logged into your account, you will see the same sites for sale, except the prices will be 50%* CHEAPER. **
4. You then start shopping and saving money immediately! 50% off all sites.
5. You will start receiving email alerts of new sites available before they go live on our site giving you the option to buy before the general public sees them!
