

## **SellingCR.com™ Announces Launch of Costa Rica's finest portal site**

*By SellingCR*

*Dated: May 15, 2008*

*Recently SellingCR launched Costa Rica's first premium content portal site for all news and activities pertaining primarily to the southern zones of Costa Rica including Dominical, Perez Zeledon, Uvita, and Costa Ballena.*

Dominical, Puntarenas – Costa Rica's premier portal web site launches. Focusing on the Pacific southern coastal areas like Dominical, Quepos, Jaco, Uvita and Costa Ballena. SellingCR (<http://www.sellingcr.com>) is proud to offer Costa Rica the #1 most interactive web experience.

For Costa Rica it has been long enough without a quality, professional and efficient portal site whereas people from all over the world can come for information pertaining to Costa Rica. SellingCR takes great pride in our newly designed web site and it shows

Some of many interactive features that SellingCR (<http://www.sellingcr.com>) has to offer are as follows:

- 1.) Daily news content
- 2.) Community classified ads
- 3.) Online forums
- 4.) Photo galleries
- 5.) Area yellowpages
- 6.) Road reports & Weather forecasts
- 7.) Videos & audio clips

With the wide variety of activities at SellingCR we are confident you will find the site filled with relevant content that suites a wide demographic of persons searching for information on Costa Rica. The purpose of a community portal site is to have the community contribute and interact with other site visitors creating a place where information and ideas are exchanged.
