

Paradigm Partners Moves Headquarters to Expanded Facilities in Houston, TX

By Paradigm Partners LP

Dated: May 22, 2008

Paradigm Partners of Houston, TX, a professional tax services firm aiming to deliver government sponsored incentives to small and mid-sized companies, today announced completion of its move to a new headquarters facility in Houston, TX.

Houston, TX — Paradigm Partners of Houston, TX, a professional tax services firm aiming to deliver government sponsored incentives to small and mid-sized companies, today announced completion of its move to a new headquarters facility in Houston, TX.

The new facility was chosen to accommodate Paradigm's rapid growth and marks the completion of the management team's efforts to meet the office needs of new personnel and expanding the Marketing Department. The facility will also allow Paradigm to bring on additional engineers and attorneys into one location to handle our quickly expanding client base.

"Our new headquarters will allow us to scale our operations to better support the rapid growth we experienced last year and expect to see over the foreseeable future," said Karim Solanji, J.D., a Director of the company. "Not only will it accommodate the ongoing expansion of key company functions, it also gives us the ability to grow our Marketing Department that was not possible at our previous facilities."

The new offices are located at 14825 St. Mary's Lane, Suite 102, Houston TX 77079. The company's new telephone number is (281) 558-7100 and the new FAX is (281) 558-7900.

About Paradigm Partners

Paradigm Partners is a professional tax services firm aiming to deliver government sponsored incentives to small and mid-sized companies.

Paradigm Partners consults directly with companies. We also align ourselves with CPA firms as their outsourced R&D department to provide specialized tax incentives to their clients. Our staff includes some of the industry's most experienced attorneys, engineers, and audit experts from national consulting firms. The combination of our legal and technical expertise provides a complete turn-key and no-risk solution that generates substantial cash refunds to our clients.

We specialize in the Research and Development Tax Credit (R&D Tax Credit) for companies and Cost Segregation Studies for companies and individuals owning Commercial Real Estate.
