Experience More of God

Experience an immersion into the depths of the Faith, Healing and Miracle Gifts of the Holy Spirit. You will learn how to better understand how the gifts of the Spirit operate and can manifest in your life toward those in need. "Experience more of God as these gifts are activated in your life in a new, personal and fresh way" says Pastor Charles Robinson of Tree of Life International.

Invite anyone you know that needs a touch from God. Invite your friends and loved ones, but most importantly, invite the sick and the infirm, the bed-ridden, those in wheelchairs. The more hunger, need and Holy desperation, the more God will move!

Revival is not just for Florida - Texas wants some!" says Pastor Charles. "Austin is going to be shaken by revival angels and the power of the Holy Spirit. We believe, along with many others that it is Austin's time for a Spiritual awakening! We believe that Matt is being sent by Heaven as an agent of God's divine order, an agent of divine change and shift in Central Texas! Open up the Heavens oh Lord! Pour out your Glory in signs and wonders! It's time for a power shift!"
