

New Domain Name Website Launched

By International Brands

Dated: May 29, 2008

InternationalBrands has launched a new domain name website at bargainname.com.

Canada - InternationalBrands.com proudly announced the launch of a new domain name website at www.bargainname.com.

Bargainname.com is a domain name website that allows you to check availability of domain names, register domain names, and much more. The Domain Search section allows users to search for domain names to check the availability of the domain name and view alternate domain names if not available. Users can register for an account and transfer domain names to the system for easy management of their domains. The Forum allows users to get information about domain names including domain name tutorials, domain appraisals, parking and traffic monetization, domain trading, and more.
