

Internetwork Expert Announces New Scholarship Program For CCIE Training Candidates

By Rob Woods, Internetwork Expert

Dated: Jun 10, 2008

Internetwork Expert, Inc., is offering two all-inclusive scholarships to Cisco Certified Internetwork Expert (CCIE) candidates who have scheduled or passed the CCIE written exam.

Internetwork Expert, Inc., a pioneering leader in Cisco Lab Exam training, is offering two all-inclusive scholarships to Cisco Certified Internetwork Expert (CCIE) candidates who have scheduled or passed the CCIE written exam.

The Real CCIE's, Real People Scholarship is designed to continue the commitment Internetwork Expert (IE) has had with the CCIE community by offering one international and one U.S. recipient complete CCIE lab training. This scholarship, valued at over \$15,000 USD, includes IE's Self-Paced CCIE Training Program, complete Rack Rental equipment use compliments of Graded Labs, and attendance at IE's Live Onsite CCIE Boot Camp with all travel provisions included.

The application deadline is June 13, 2008. Applications will be evaluated by an IE committee and the winners announced at the end of July. Scholarship recipients will be chosen based on answers to scholarship essay questions as well as answers to phone interview questions. Additional information and scholarship applications can also be found on the following web site:

"We are excited to strengthen our relationship with the CCIE community by introducing the Real CCIE's, Real Scholarship Program," said Brian Dennis, CCIE# 2210, CEO of Internetwork Expert. "This scholarship will create an amazing opportunity for the recipients to further their education and training towards their CCIE. With a CCIE, these candidates will stand out and create great opportunity for advancement in their careers and goals."

About Internetwork Expert
