

Miracle Fruit Berry Tablets & Gum - Synsepalum dulcificum - First Seller of English Packaged Packets

By Taste Trips

Dated: Jun 20, 2008

Wholesaler and Retailer of Miracle Fruit

Taste Trips will soon be retailing new amazing Miracle Fruit Products.

Miracle Gum will be available for wholesale and retail from <http://www.tastetrips.com>

Tastetrips was the first company world wide to sell English Packaged miracle fruit tablets. Freeze Dried Miracle Fruit, compressed into tablet form for easily managed usage.

Included in the line of products, as well as Miracle Gum, will be Miracle Fruit Strips. Clear thin strips of Miraculin extract which will be as strong as Tablet form, except easy to manage and take when you most need it.

These new products will revolutionize modern techniques for medical issues. All 100% natural. Diabetes, Weightloss, appetite and all the fun aspects which can be obtained from this amazing miracle fruit.

Check <http://www.tastetrips.com> for all the latest news and information.

###

<http://www.tastetrips.com> is the first company to start marketing English packaged miracle fruit products designed for the Western World.
