

Feng Shui Expert Shares Easy Secrets to Sell Your House Faster

Homeowners and Realtors who want to learn proven techniques for creating an irresistible open house that is guaranteed to generate quality offers fast, will discover simple easy steps for using Feng Shui to increase a homes buying potential.

June 26, 2008 - [PRLog](#) -- Kathryn Weber, a Professional Feng Shui Consultant and publisher of The Red Lotus Letter feng shui e-zine, offers homeowners and Realtors articles and information to help them overcome the obstacles of the current housing crisis and impending recession. As housing prices plunge and debt increases, people looking to sell homes are coming up against stiff competition. By using fast and easy ways to make their homes instantly more attractive to potential buyers, homeowners can ensure their houses stand out from their neighbors' and sell now. Feng Shui is one way homeowners and Realtors can set their homes and listings apart from the competition.

Weber, the creator of The Red Lotus Letter, the internet's largest free weekly e-zine, says, "The biggest secret to selling your home is engaging the senses. Prospective buyers must be engaged in every possible way. Your house not only has to look good, but feel, sound and smell good as well." Weber's article Sell Your House with Feng Shui, 9 Ways to Help it Sell Faster and Easier, also helps homeowners by encouraging them to activate and energize the power areas of their homes. Her ebook, Sell Your House NOW, the 6 Proven Steps for Selling Your House Faster and Easier – and for a Higher Price, is a Realtor's friend and gives homeowners the straight truth about getting their homes in selling shape and incorporating good Feng Shui.

Homeowner Dianne Hawnee of Nevada found Weber's e-zine and articles after her house had been on the market for nearly a year. Hawnee reports, "We were getting a lot of showings and great feedback, but we hadn't had any offers. After reading the article, I did everything you suggested. Two weeks later we had a cash offer! The deal was finished and we were out of the house, all within six weeks of Feng Shui-ing!"

In a real estate market that is expected to continue toughen until the end of 2008, Weber's expertise helps clients combat fears and reduce the number of weeks that properties are sitting without buyers. Weber knows, "You don't have to resort to decreasing your asking price. Don't panic; try these proven Feng Shui techniques before adopting the traditional sales tactics. No more open houses, no more wondering when the offer will come." With an extensive background in decorating, cleaning, Feng Shui and writing, Weber brings her message to thousands of homeowners who successfully increase their house value, move their houses faster and decrease their house-selling stress.
