

New Guide Shows How Average People Can Save as Much as 75% On Used Auto Parts

Special guide instructs consumers on the Do's and Don'ts of buying used auto parts, opening up junkyards and used auto part stores – even for average Joes.

July 1, 2008 - [PRLog](#) -- Mission KS, -- Every year, hundreds of thousands of people search for used auto parts, but they rarely have the information they need to make a safe purchase that they won't regret. The used auto parts world can be pretty confusing, but Automotix is working hard to change this. Their new ebook, "Buying Used Auto Parts: The Do's and Don'ts" seeks to provide consumers with the vital information they need to safely purchase auto parts, both online and off.

This unique resource provides all of the answers on how to source and purchase auto parts from online sellers and salvage yards, as well as providing advice on how to avoid fraudulent sellers. The book, which is available at <http://www.automotix.net/junkyardpartsguide.html>, makes it incredibly easy for any car owner, regardless of their knowledge of used car parts, to purchase exactly what they need, and at a great price.

"Buying Used Auto Parts: The Do's and Don'ts" also offers valuable tips on how to save money on their used auto part needs. In addition to getting this incredible report, customers will also get two free ebooks as a special thank you from Automotix.

In addition to these free gifts, anyone that places a used parts request on Automotix will be able to get this incredible resource absolutely free <http://www.automotix.net/partlocator.html>. Automotix provides consumers with a safe environment where they can deal with verified salvage yards and individual dealers. Their system makes it easy to locate hard to find parts, and users can find what they need in as little as two clicks.

About the Company: Automotix.net is striving to build one of the largest used auto and parts communities on the web and their unique method of connecting buyers and sellers promises to do just that. Their name, which is short for Automotive Exchange, really says it all. From simple used auto body parts on common cars to the rarest wheel rims for the rarest fine automobiles, you'll find everything you need, all in one place.
