American Home Lenders, an FHA approved Mortgage Lender licensed in Florida and North Carolina, offers their expertise to assist any and all homeowners with re-finance questions or guidance with their current mortgage needs. This program “Consumer Assistance Program” (CAP) is not designed to sell the consumer only offer assistance where there are so few people willing to listen and guide the homeowner in these troubling times.

With foreclosures on the rise on a national level and the cost of living skyrocketing, borrowers who feel that their mortgage company is not responding to their questions can now call American Home Lenders and ask for “CAP” to assist them with their questions. All the homeowner needs to do is call, toll free 866-935-3636 or 954-452-5978 with their questions. If the person prefers to they may also contact them via email at cap@ahlenders.com or visit them at <http://www.americanhomelenders.net>

There will be no sales pressure, only a caring company willing to assist the home owner in need through “CAP”

Jonathan Shapiro, CEO and co founder of American Home Lenders, states “During these rough times in the real estate market homeowners who are frustrated sometimes just need to hear a calm voice or someone willing to just listen to their situation. With the creation of the Consumer Assistance Program or “CAP”, all we want to do is put peoples mind at ease and even guide them to the best agency that may be able to assist them. I will personally answer as many calls and respond to as many e-mails as possible, since American Home Lenders truly believes that we can not ask someone to do something that we do not do ourselves.” Further, Mr. Shapiro points out that “In these current market conditions, we need to be more than just a lender; we also need to be a mortgage advisor. American Home Lenders takes a professional approach to help homeowners find the most beneficial solutions for their financial future.”

Started in November, 2001 the founders of American Home Lenders Jonathan Shapiro, CEO and Clifford Bernstein, President created the company as a small mortgage brokerage company. After 7 + successful years of helping people in Florida realize their dreams of home ownership and lower their household expenses which are assisting them during these tumultuous economic times. American Home Lenders was approved as an FHA Mortgage Lender in February, 2008.
