Shetland Sheepdog or Sheltie puppies are an outstanding companion dogs with a lovely temperament and are gentle, sensitive, loyal and dainty. They are high energy, highly intelligent and extremely trainable. The Sheltie is one of the smartest breeds, and they are extremely willing to please their master. They are very loyal and affectionate with their family, but generally are suspicious of strangers. They are wonderful with families and get along well with other pets, love children and is Agreatdog.

Agreatdog offers Sheltie puppies that are healthy, happy and well socialized with excellent personalities that are eager to please. We offer a limited Lifetime guarantee for all genetic issues and typical breed related problems.

View <http://www.agreatdog.com/agreatdogadoptionpolicy/healthguarantee.html> for complete details. Microchip ID included.

Agreatdog does offer shipping via Northwest VIP Priority Express anywhere in the US, billed at our cost. Puppy shipments are weather dependent and governed by federal rules and regulations.

###
