

The Fretboard Journal is now available at Highland Woodworking

Highland Woodworking is pleased to announce the addition of The Fretboard Journal to their collection of woodworking books, magazines and DVDs.

July 18, 2008 - [PRLog](#) -- Highland Woodworking is pleased to announce the addition of The Fretboard Journal to their collection of woodworking books, magazines and DVDs. An important journal for luthiers and instrument enthusiasts, the quarterly publication is archival quality and chronicles the most innovative fretted instruments and instrument makers of the last 150 years. Fretboard's writers, historians and photographers from around the world provide well researched and insightful stories highlighting the best players and the most interesting tales in music.

The Summer 2008 Fretboard Journal features David Grisman's Chris Thile interview, details about veteran luthier Rick Turner's Compass Rose acoustic guitar and examines the tradition behind Kamaka ukuleles. The Fretboard Journal published by Jason Verlinde is a magazine for musical instrument makers, players, collectors.
