Sending gifts to near and dear ones, has never been easier. The online retail giant Infibeam.com launches its new online gifts store. Cakes, Sweets, Chocolates, Combos and Exquisite Bouquets are the categories of gifts available.

India's leading Online Store - Infibeam.com has come up with its new Gifts Store and it is all set to make waves with the carefully chosen items on display.

Speaking at its launch, Mr. Vishal Mehta, Founder & CEO says, "Infibeam.com today shows how to spread love among near and dear ones, any where in India from within or abroad."

"We have set up our online store offering choicest cakes, sweets, chocolates and combo gifts to be shipped for free in majority of Indian cities within 72 hours of placing order," informed Mr. Mehta.

The gift items that could be purchased online include cakes, chocolates, combos, dry fruits, flowers and sweets. The cakes available are mainly of two types. The exotic variety includes Black Forest and Truffle Cake. Pineapple, Chocolate and Vanilla are the other flavors available at the store.

The other gift items namely combos are an assortment of carefully chosen gifts. Chocolate box combined with a soft toy, flowers accompanied with soft toys, flowers and a box of sweets are a few combinations that undeniably add a creative touch to gifts.

The sweets section has authentic Indian sweets like Gulab Jamun, Rasgulla, Sohan Papri, Milk Cake, Kaju Burfi and Kaju Rolls. Gifting flowers has never been easier. Flowers like Roses, Carnations and Lilies are elegantly arranged in spectacular looking bouquets.

Infibeam.com has come a long way since its inception and the opening of the gift store is indeed another step towards potential growth. For Infibeam.com customers, looking for innovative present, their gifts store might have just the appropriate gift to select from.
