The Eurail adult pass is a cheap, effective way for adults 26 years and older to see Europe. The adult pass is available on the Eurail website; once the order is processed, the ticket is delivered to the person's home. To ensure that the valuable ticket is delivered to the correct address the tickets must be signed for. The adult pass has a number of options and discounts.

Several options for the adult pass are visiting one particular country, another is choosing a region, next a selection of 3-5 countries and last a Global Pass valid in 20 countries. The passes can be for only a number of days up to three months. Three months is the limit in which a person can visit Europe without a visa.

In addition to the various passes, there are several discount offers with the adult pass. For example, there is a discount on boat tours on a number of routes. Yet, that is not all with the Eurail adult pass, a person is also entitled to discounts on biking tours, restaurants and on train tickets for private train companies.

When a person buys a Global Adult Pass, they should be aware that the pass is for first class only. Sitting in second class while there is a first class seat is pointless. As an added bonus, all Eurail pass buyers receive the Eurail Traveler's Guide. Adult pass holders will find that the guide is useful for their vacation. The Eurail Traveler's Guide includes a map and booklet of European train timetables.

Pass holders upon returning home are also entitled to a complementary gift from Eurail. The adult pass holder may choose from a travel wallet, Sudoku game or phrase book. All three are sure to be handy upon the next trip to Europe.

For adult pass holders traveling with young children is fun. They will be happy to know that children under 3 years of age travel free. For those travelers with older children or teenagers there is a Youth Pass with a price reduction of 35%. Adults traveling with those 60 years plus may be interested to know that there is a Senior Pass available for travel in Ireland and Romania.

The Eurail adult Pass makes a great birthday. While buying an adult pass there are several things to be on the lookout such as extra discounts, length of travel, destination etc. This is in addition to discounts on other tickets for youth or seniors. The adult pass from Eurail is available to buy today. For further information about Europe rail pass, visit Eurail
