Great Safari Baby Bedding available at BD Baby Bedding. Designed by one of the leading Manufacturers Brandee Danielle.

In the jungle, the peaceful jungle, your baby sleeps at night. From Brandee Danielle, the leader in quality baby bedding and accessories for nurseries, now offers the On Safari baby bedding collection. The On Safari collection retails for \$260, but you can create a jungle bungalow for your precious little one for only \$99.99, including freight charges. With such substantial savings, you can afford the entire collection, including designer accessories and accent pieces to make your child's bedroom a magical retreat for imagination and sweet dreams.

The On Safari four-piece bed set includes a 6-panelled quilt, 4-sided bumper, dust ruffle, and fitted sheet. Earth tones and multiple textures combine to create a perfect decor for baby boys or girls and bring the beauty of the wilds into your baby's nursery. Miniature gingham in oatmeal and sand creates the adorable fitted bed sheet.

The quilt features all of the jungle animals your baby will snuggle up with every evening. Four layers of trim frame the quilt panels: a warm coffee corduroy piping, soft khaki flannel, moss colored suede, and an inner line of chocolate suede. From the lounging leopard lying in a tree to the sky gray mini corduroy elephant moseying through the brush, the On Safari quilt will make a beautiful, eye-catching centerpiece for your nursery decor. The underside of the quilt is made of soft white terrycloth to provide warmth and comfort against baby's soft skin.

A 4-sided bumper, thick and plush, provides safety with a designer flare. Backed with khaki flannel and trimmed with oatmeal and sand mini gingham piping, the bumper features scenes from the quilt. Mischievous chocolate monkeys hanging from their tails at the head and foot of the crib keep company with hugging giraffes and a happy zebra. Palms, jungle vines, and yummy leaves for munching giraffes integrate a palate of greens, from sage to forest, into the On Safari color scheme. A gingham dust ruffle with moss colored suede piping and kaki flannel border complete the crib ensemble.
