As one of the premier suppliers of fine French and European period furniture products in North America and Europe, Newell & Associates has been providing dealers and distributors with its 'museum quality' furniture and accessories for over nine years.

"Our newest Galerie Versailles showroom will allow us the space needed to display our line of fine furnishings in a classically designed interior" said Patricia Newell, President of Galerie Versailles.

In addition to its new location in North San Diego County, Newell & Associates will be expanding into yet another location near downtown San Diego, California and just a few short minutes drive from San Diego's Lindberg Field airport.

"Our new airport location is planning for a fall 2008 opening and should allow our buyers the convenience of flying in to conduct business with us and fly out the very same day if need be" said Patricia.

Continue East on Highway 76 to Foussat Road, turn right to Mission Avenue then turn left to Copperwood.
